## BREWSTER GOLF COMMISSION

The Brewster Golf Commission is charged with setting policy for the Captains Golf Course. Policies are subject to change. Their meeting notices are posted at the Town Hall and on the golf course bulletin boards. Meetings are held in the conference room at the Captains Golf Course unless otherwise posted; these are public meetings and all are welcome to attend.

# *Welcome to the Captains!*

The purpose of this guide is to communicate the rules and conditions governing use of the Captains Golf Course for all resident and non-resident Annual Fee Players (AFPs). We hope that this guide will be useful and that you enjoy your golfing experience. As a public golf course owned by the Town of Brewster, the purpose of the policies and procedures is to provide fair and equitable access to our customers, while maintaining sound financial controls. Your cooperation in following these guidelines is greatly appreciated and will help ensure that all can enjoy the experience of the entire facility. **It is every Annual Fee Player's responsibility to know the rules as outlined in this guide.**

Annual Fee Player status entitles you to unlimited greens fees and membership rates for cart fees.

Please use the automated tee time system, (508)896-5100, or the on-line system, [www.captainsgolfcourse.com](http://www.captainsgolfcourse.com), to make and verify reservations other than day of play requests. Members (AFPs) calling the Pro Shop to make a reservation for the next day will be transferred to the automated tee time line. This is necessary so that our staff can properly service the large customer volume experienced each day at the Captains Golf Course.

We are constantly trying to improve the communication among the Staff, the Golf Commission, the Associations, and the Annual Fee Players. The 'Captains Log', distributed bi-monthly, is also available on the website at [www.captainsgolfcourse.com](http://www.captainsgolfcourse.com) . Any suggestions to improve communication are welcome, and may be submitted via our suggestion box. We will also be using email to more effectively communicate with our Annual Fee Players. **We update our email list annually based on the information provided on the AFP application. If you change your email address after the submission of your AFP application, please contact the Pro Shop with your new information.**

Thanks,

Mark O'Brien  
Director of Operations

## TEE TIMES

Annual Fee Players (AFPs) have access to 50% of the tee times on one course, and 20% of the tee times on the other course unless a special function is scheduled. Remaining tee times are for Daily Fee Players (DFPs/guests). The courses rotate weekly; check the 'Captains Log' for the 50% course.

All tee times obtained via the phone or online system are from the first tee. Back nine play on both courses is open to AFPs and their guests during the first 1½ hours of the day, except Thursdays, for the first 40 players to register in the Pro Shop. There is a ball rack on both 10<sup>th</sup> tees to determine starting order.

AFPs may call for tee times on the automated phone line, **(508)896-5100**, at 6:00pm 2 days prior to play (e.g., Tuesday at 6:00pm for Thursday play). AFPs may use the online system at 7:00pm 2 days prior to play. You need your 4-digit member number and any other member numbers for your group. Please, only one caller per foursome!

At 8 PM the day before play, any unused tee times become available to any golfer. AFPs can also use the online reservation system, [www.captainsgolfcourse.com](http://www.captainsgolfcourse.com), at 8PM the day before play to book these tee times.

The automated tee time system will allow you to make, cancel, or change a tee time, course, or players, and record a name greeting. You can also verify your tee time through the system, although you have the option to receive an email confirmation of your booking.

The system is self-explanatory if you listen to the prompts as you go. If you are new, it may be helpful to practice using the automated system during off-peak times.

It is most important to remember your confirmation number after booking a tee time. It's needed if you want to make any changes to your booking and when you check in at the Pro Shop.

Day-of-play & last-minute cancellations may be made by calling the Pro-Shop at **(508)896-1716**.

## TEE TIMES WITH GUESTS (DFPs)

**If there are more AFPs than DFps** in your group, you must call at 6:00pm 2 days in advance. Put in your member # for each guest in your group.

**If there are more DFps than AFPs** in your group, you must call in as a DFP & may begin calling at 6:00am 5 days in advance. You will register on the phone system as a guest and use your phone # as your ID, not your member #.

**If there is an equal number of AFPs and DFps** in your group, you may call 5 days in advance as a DFP starting at 6:00am, **OR** you may call as an AFP starting at 6:00pm 2 days in advance. However, you cannot make 2 tee times for one group on the same day.

If there are more DFps in your group, reservations may also be made online. Go to our website, [www.captainsgolfcourse.com](http://www.captainsgolfcourse.com), and click on '**Reservations**'. Then click on the link for '**online reservations**'; from there follow the prompts on the screen.

**If an AFP makes a guest time and at least half their group isn't guests, they will be charged green fees for at least half of the group. Abuses of this policy will not be tolerated.**

An AFP may make a prepaid reservation at anytime within the calendar year for an AFP and three guests. The green fees for the guests must be paid in advance, but the **AFP isn't required to pay a green fee**. This policy was enacted as a convenience for AFPs; if there is an abuse of this policy, it will be discontinued.

## BLOCK TIMES

**Weekends:** The first 2 hours on weekends (Sat., Sun., & holiday Mondays) May 15<sup>th</sup> through October 31<sup>st</sup> on the 50% course are available for **Annual Fee Players only, no guests**. Any guest brought during this time period will be put at the end of the waiting list and other Annual Fee Players will have preference. The automated system won't let you enter guests into the system for this time period on the 50% course.

**Mondays:** Men's Senior Scramble – see 'Scramble Schedule' attached for times.

**Tuesdays:** The Women's 18-Hole Association has the first 2 hours of the day on the first tee of the 50% course.

**Wednesdays:** The Men's Association has the first 2½ hours of the day on the 50% course.

**Thursdays:** The Women's 9-Hole Association has the first 1½ hours of the day on the back nine of both golf courses. Men's Scramble in the afternoon- see attached schedule.

**Club Tournaments:** Various tournaments are run throughout the year, mostly on weekends. Please check the bulletin board and website for schedules and details.

## PLAYER RESPONSIBILITIES

- Be at the golf course at least **20 minutes prior** to your tee time. Each player **must register at the Pro Shop** before play. **All AFPs must obtain a register slip from the desk and present it to the Starter in order to play.** In addition, all AFPs are required to have a **member bag tag** displayed for the Starter.
- The policy of checking in at the Pro Shop is necessary in order to accurately maintain play total records for management purposes.
- During the busy season, the Golf Commission requests that AFPs limit their play to no more than 4 times per week, which includes all tournaments and scrambles, for the period of time from June 15<sup>th</sup> through September 15<sup>th</sup>.
- Each player must have his/her own bag and clubs.
- Alcoholic beverages are prohibited except those purchased at the Captains Golf Course restaurant and may only be consumed in designated areas.
- Please keep golf bags and pull carts off all tees, collars, and approaches.
- Maintenance workers cutting greens have the right-of-way if the flagstick is out of the hole. Please allow workers cutting the fairways to get out of your way before hitting.
- The use of metal spikes is not allowed at the Captains.

## PACE OF PLAY

**The expectation is to play in 4 hours and 10 minutes.**

In order to improve **Pace of Play**:

1. Play ready golf.
2. Be ready when it's your turn.
3. Don't spend more than five minutes looking for a lost ball.
4. Don't let conversation interfere with **Pace of Play**.
5. Take a rake into bunker when playing bunker shots.
6. Park carts toward the rear of green (between green and next tee).
7. Line up your putt while others are putting out.
8. Finish putting unless you're in another player's line.
9. Record your scores at the next tee, not at the green.
10. Above all **keep up with the group in front of you**, not just ahead of the group behind you.

The Golf Commission has established a policy that now gives authority to the Ranger and/or the Manager on Duty to act as follows to speed up play:

The Starter will mark his tee sheet with the time that the last player in a group hits his/her tee shot and so advise the Ranger. The Ranger will have a hole-by-hole time chart to then compare the pace the group sets against the time chart. The Ranger will ask the group to pick up their pace of play if they fall behind the established pace of play. If, after a second warning by the Ranger, a slow group has not kept up pace of play they will be asked to pick up and move forward in order to get back into position. If the group fails to pick up or again falls behind, the Ranger will then call the Manager on Duty who will have the option to suspend play and discontinue the group's round at that point.

Continuing problems in regard to **Pace of Play** with a particular individual may lead to restrictions or suspension of that individual's playing privileges.

It is the objective of the Golf Commission and course management to make the golfing experience at the Captains enjoyable for all golfers. One slow group can affect the golfing experience on that day for as many as 300 golfers. We hope that these recommendations and this policy will improve **Pace of Play** and make golfing at the Captains a much more enjoyable experience.

## **GOLF CART USE Rules & Regulations**

- Golf carts must stay on the paths on all par 3 holes at all times. Golf carts must also stay on the paths around tees and greens on all holes at all times.
- At no time are non-handicap flag golf carts allowed to go inside of golf cart directional signs, ropes, or stakes.
- The 90-degree rule is in effect at all times on par 4 and par 5 holes. Under certain conditions, golf carts may be restricted to rough only. If golf cart use is restricted, it will be posted in the Pro Shop.
- Any Annual Fee Player who purchases a riding cart at the single cart rate agrees that no other rider will join him/her during the round without paying for the other half of the cart rate. Violators will not be allowed to purchase a single cart in the future.
- No golf carts are permitted in the parking lot.
- All golf carts **must be returned** to the designated cart drop-off area.
- If a golf cart is observed by a staff member in a restricted area as outlined above, the staff member will notify the Pro Shop or Ranger immediately and will identify the cart number, the exact location of the infraction, and give a description of the infraction. The staff will report the infraction to the Manager on Duty.
- Both the operator and passenger of the cart will be given a verbal warning by the Manager on Duty for the first and second offense and this warning will be recorded in a file maintained in the Director of Operations' office. The third offense will result in the Manager on Duty confiscating the offender's golf cart. There will be no refund of the golf cart fee or the green fee.
- Any offense by an Annual Fee Player, either operator or passenger, will be recorded and kept on file by the Director of Operations. The third offense will result in the loss of golf cart rental privileges for a period of two (2) weeks.

The above policy has been adopted by the Brewster Golf Commission in an effort to maintain the best possible course conditions. Your adherence to these regulations is appreciated.

## HANDICAP FLAGS

Handicap flags will be made available to those golfers who have a special need or who, for various circumstances, are unable to walk between the fairway cart boundaries and the green. These flags are for golfers under the above circumstances only. The Director of Golf or his designee shall solely determine the eligibility of any golfer to use these flags. The following rules shall apply in the use of these flags:

- Handicap flags will be requested by members at the start of each golfing season and by guests at the time of registration, upon demonstration by the golfer as to need. The golfer requesting a flag must sign this form indicating his/her acceptance of the rules and will retain a copy of this form.
- The flag must be affixed to the golf cart and be readily visible during the round.
- When golf carts are restricted to the rough only, no handicap flags will be issued.
- When leaving the teeing area and proceeding to the ball, the **90 degree rule will apply** when crossing from the cart path to the fairway.
- The handicap flag entitles the golfer to go beyond the fairway cart boundaries to address a ball. All carts are prohibited from those areas designated as 'environmentally sensitive'.
- The cart will be permitted **no closer than 15 feet** from the **fringe** area of the green and will be parked so as not to interfere with the play of other golfers. **No carts** are to be driven in areas **between the green and the bunker**.
- **No carts are allowed to drive down the hill beyond the cart signs located at the top of the hill on #8 Port.** All carts must use the cart path on the left side to get to the green on this hole. This rule has been implemented for safety reasons and will be strictly enforced.
- **No golf carts** are permitted in the parking lot. Carts may use the perimeter road to gain access to cars.
- After use by the golfer, the cart **must be returned** to the designated cart drop-off area.

These rules apply, without exception, to all golfers requesting the handicap flag. The Rangers and Staff have been instructed to warn any golfer who violates or abuses these rules and to report such warnings to the Director of Operations. Failure to heed such warning will result in loss of privilege to use a handicap flag. Repetitive violations will result in further disciplinary action, which could include the suspension of golfing privileges.

### Acceptance

I hereby acknowledge receipt of the rules governing the use of 'handicap flags' on a golf cart. I have read these rules and accept them without reservation. I also understand that I will take full responsibility for the safe operation of the handicap flag equipped golf cart.

## GENERAL INFORMATION

**AFP REFUNDS:** Refunds of AFP fees may be issued for medical and personal hardship reasons at the sole discretion of the Brewster Golf Commission. Refund requests will be considered only if the AFP requesting the refund has played no more than 3 rounds since April 1<sup>st</sup>. **No requests for refunds will be accepted after June 30<sup>th</sup> for any reason.** Requests for refunds must be submitted in writing to the Brewster Golf Commission.

**EMERGENCY PHONES:** **Emergency Phones** are located on Port #13 tee and Starboard #7 tee; they are for **emergency use only**. As soon as you open the door to the phone, it automatically signals the Pro Shop. **Please do not open the door to the phone unless you have a true emergency.**

**RECIPROCAL PLAYING PRIVILEGES:** The five towns on Cape Cod that have municipal golf courses have a reciprocal agreement; any AFP of any of these municipal courses may play any of the other municipal courses for a green fee of \$30. The participating courses are Captains, Sandwich Hollows, Olde Barnstable Fairgrounds, Hyannis Golf Course, Bass River, Bayberry Hills, Dennis Highlands, Dennis Pines, and Cranberry Valley. This applies to play Monday through Thursday from September 15<sup>th</sup> through June 15<sup>th</sup>. Tee times may be made up to 2 days in advance. Each course has the option to change these parameters at anytime, so call ahead.

**PRO SHOP CREDITS:** Any Pro Shop winnings earned in a calendar year must be used by December 31<sup>st</sup> of the following calendar year.

**HANDICAPS:** The Captains is a member of the United States Golf Association GHIN Handicapping System and provides handicap service through the Massachusetts Golf Association. AFPs can obtain a handicap by paying a handicap fee to the Captains. Players enter their scores on the computer; you can also enter your scores at [www.ghin.com](http://www.ghin.com). The Handicap Committee monitors all postings. You must have an established handicap in order to play in any Captains Golf Course tournaments. Please note the information on proper handicap procedures is posted beside the computer where you enter your scores and on page 12 of this booklet.

**MEN'S AND WOMEN'S ASSOCIATIONS:** The Captains Course Men's Golf Association, the Women's 18-Hole Association and the Women's 9-Hole Association have been an integral part of making the Captains a better place for all golfers. Applications for the Associations are available at: [www.captainsgolfcourse.com](http://www.captainsgolfcourse.com).

02/10

**FREQUENT PLAYER CARDS:** A Frequent Player Card is available for \$100; no card refunds are available. It is **not transferable** and expires on December 31<sup>st</sup> of the year it was purchased. When presented with a photo ID, the card allows the holder to receive a \$15 reduction off of the 18-hole green fee in effect at the time of play, or a \$10 reduction off of the twilight or back-9 green fee in effect at the time of play. The card may not be used for prepaid advance reservations; cardholders can call for reservations up to 5 days in advance at 6:00 am. The card may be used for reduced green fees at the following times (excluding holidays):

- January 1 thru April 30 Any time, any day
- May 1 thru October 12 Sunday thru Thursday after 12:00 noon
- October 13 thru Dec. 31 Any time, any day
- The card may be used for am back-9 play or for twilight play on any day of the week, any time of the year, except Thursdays, April-October.

**DRESS CODE:** All players are required to wear proper and clean golf attire at all times. Men’s shirts must have collars and sleeves; women’s shirts must have collars **or** sleeves. Turtlenecks and mock turtlenecks are acceptable. **The following attire is not appropriate:**

- halters, tank tops, mesh shirts;
- cut-off shorts, short shorts, gym shorts, sweat pants, or bathing suits;
- metal spikes.

Members who continually violate the dress code may be subject to a thirty-day suspension of their playing privileges.

**SCRAMBLE SCHEDULE:**

	August 16 <sup>th</sup> through September 30 <sup>th</sup>	3:00 pm
	October 1 <sup>st</sup> through October 31 <sup>st</sup>	2:00 pm
	November 1 <sup>st</sup> through December 31 <sup>st</sup>	12:00 pm
No Senior Scramble will be held on Memorial Day or Labor Day		
<b>THURSDAY</b>	April 1 <sup>st</sup> through April 30 <sup>th</sup>	3:00 pm
	May 1 <sup>st</sup> through August 31 <sup>st</sup>	4:00 pm
	September 1 <sup>st</sup> through October 31 <sup>st</sup>	3:00 pm

## HANDICAP POSTING REMINDERS

- A basic premise underlying the USGA Handicap System is that every player will try to make the best score at each hole in every round the player plays, regardless of where the round is played, and that the player will post every acceptable round.
- Post **all** scores for both **match play** and **medal play**, even if you just shot the worst or best round of your life!
- Post scores as soon as possible after the round is played.
- If you are in Florida or somewhere else warm during the winter playing golf, you must post those scores as soon as possible once the computer at the Captains is activated.
- You must post an 18-hole score if you complete at least 13 holes; if you complete at least 7, but not more than 12, you must post a 9-hole score. On the holes you didn't play, record a score of par + any handicap strokes you would've received. Attempts to intentionally quit play to avoid posting a score are considered manipulation to influence your handicap and can result in penalty scores being posted by the Handicap Committee.
- When you pick up or concede a hole without finishing the hole, for handicap purposes you post the score **you most likely would have made**. The most likely score consists of the number of strokes already taken +, in your best judgment, the number of strokes you would need to complete the hole more than half the time from where you picked up. The number may not exceed your **Equitable Stroke Control** limit, and should be entered on your card with an 'X' to show the hole wasn't finished. There is no limit to the number of unfinished holes a player may have in a round provided that failure to finish is not for the purpose of handicap manipulation.
- **Equitable Stroke Control** (ESC) is the downward adjustment of individual hole scores for handicap purposes in order to make handicaps more representative of a player's potential scoring ability. The maximum score you can take depends on your **Course Handicap** (not your index).

Course Handicap	Maximum Score on Hole
9 or less	double bogey
10 - 19	7
20 - 29	8
30 - 39	9
40+	10

- If a mistake is made for a score entered into the system, please notify one of the pros so that the mistake can be corrected.
- Peer review is an important aspect of the handicap system. Each player is responsible for ensuring that the handicap rules are followed. If a player observes a breach of the rules, the player should bring the breach to the attention of the person who has committed it. If the breach is not corrected, the person observing the breach should report it to the Handicap Committee.
- **Local Rules** for the golf course are displayed on the bulletin board and at the Starter's shack. Included on the Local Rules Sheet is whether or not preferred lies are allowed.
