

CAPTAINS GOLF COURSE

2019 MATCH PLAY CHAMPIONSHIP

U.S.G.A. rules govern all play except where local rules apply. THE LOCAL RULES ARE POSTED ON THE BULLETIN BOARD OUTSIDE THE PRO SHOP.

FORMAT: MATCH PLAY, 100% HANDICAP (handicap based on the current posted handicap on the day of your match and must be adjusted to the course and tees that you are playing). An additional handicap adjustment for players playing from different tees will be made according to the U.S.G.A. guidelines below.

- **If a woman is playing against a man, and the man's handicap is lower**, the stroke holes will be based on the women's handicap holes. If the woman's handicap is lower, the stroke holes will be based on the men's handicap holes.
- **If a man playing from the white tees is playing against a man playing from the gold tees**, the man playing from the WHITE tees will add 2 strokes to his handicap for either course.
- **If a man playing from the white tees is playing against a woman**, the woman will add 1 stroke to her handicap for either course.
- **If a man playing from the gold tees is playing against a woman**, the woman will add 3 strokes to her handicap on the Starboard Course and 2 strokes to her handicap on the Port Course.

These handicap adjustments are based on the U.S.G.A. Handicap System rules.

HANDICAPS: All players must have a GHIN handicap with at least ten (10) scores posted within the twelve month period prior to July 7, 2019.

All players are responsible for posting their own scores from the matches as Tournament "T" scores. If you did not finish a hole or holes, you should record the score you would have most likely scored on the hole. If you do not finish a round, please refer to the USGA score posting rules or ask one of the Golf Pros.

TEES:
MEN – WHITE TEES
MEN (index + age = 90 or over) – GOLD TEES
WOMEN – RED TEES

SCHEDULE: The brackets will be posted on the bulletin board by June 28th. The first match must be completed by July 7th. Each match thereafter, for those that advance must be completed within a two-week period. The final match will be played by September 15th. Players are responsible for setting up their own tee times. If a time to play cannot be mutually agreed upon, a tee time of the Pro Shop's choosing will be set up for the Sunday of the deadline for completion of the match. If a player cannot make this tee time, they will forfeit the match.
