### **Two-Year Membership Refund/Credit policy:**

For purposes of this policy, the total amount paid towards the AFP membership will be divided in half. One half will be deemed to be the Year 1 Balance and the other half will be deemed to be the Year 2 Balance. The Adjusted Year 1 or Year 2 balance is the payment for that year *less* the value of any rounds played in the relevant membership year prior to June 30. A round will be valued at the prevailing greens fee in effect at the time it was played.

1. Refund or credit requested prior to 6/30/2020:

- If the AFP has played three times or fewer during the membership period commencing on 4/1/2020, they may request a *refund* of the Adjusted Year 1 balance plus the Year 2 balance.
- If the AFP has played more than three times during the 2020 membership year they may request a *refund* of the Year 2 balance and a *credit* of the Adjusted Year 1 balance. This non-transferable credit may be applied only towards the AFP's membership fee in 2021 and expires on 6/30/2021.

2. Refund requested between 7/1/2020 and 3/31/2021:

- An AFP may request a *refund* of the Year 2 Balance.

3. Refund or credit requested after 3/31/2021:

- Any application for a *refund* or *credit* must be received by June 30, 2021.
- If the AFP has played three times or fewer, then they may request a *refund* of the Year 2 adjusted balance.
- If the AFP has played more than three times during the 2021 membership year they may request a *credit* of the adjusted Year 2 balance. This non-transferable credit may be applied only towards the AFP's membership fee in 2022 and expires on 6/30/22.

All such refunds or credits will be issued at the discretion of the Golf Commission.
