REQUESTS - A *Request* is just that, you are asking for a tee time. When you submit the *Request*, you will receive an email confirming your *Request*. This does not mean you have that time. Two days in advance of the play date, all the *Requests* are sorted based on the average number of points accumulated for your group (See the Rules & Info Guide for how points are accumulated). At this point the tee times are placed and you will receive an email confirming your assigned tee time.

BOOKINGS - When you make a *Booking*, you are actually making the tee time (as opposed to making a *Request*). The *Bookings* are made based on available member times at the time you make the *Booking*. You will receive an email confirming your *Booking*.

You may make a *Request* or a *Booking* using either the on-line system or via the automated phone system (508-896-5100). The Pro Shop staff is happy to answer your questions, but members are asked to make their own *Requests and Bookings* other than day of play inquiries. Thank you.
